

## **NATURE OF THE INSTITUTE**

Chemchemi Ya Uzima Institute of Formation is a nonprofit making activity of the Association of Sisterhoods of Kenya which attracts students and lecturers from all over the continent and beyond. It's multicultural and multi- congregational nature provides not only a unique space for exposure and a growing appreciation of unity in diversity, but also a unique opportunity for prophetic witness.

By its foundation, the institute seeks to respond to the needs of the Religious Women for solid holistic formation and education at all levels for authentic witness, providing Catechesis training and developing Christian leadership skills among youth and women.

## **MISSION**

To provide skills, preparation, formation and the space to all members in order to empower Pastoral agents in the prophetic services they give for the extension of the kingdom

## **VISION**

To be a leading life giving prophetic community, for religious and social transformation

We exist to provide spiritual formation, preparation, skills for empowerment of pastoral agents through education and training
